

## Explanation Texts

An Explanation Text is a non-fiction piece of writing which is meant to describe a **process** such as how a car is made.

### Success Criteria:

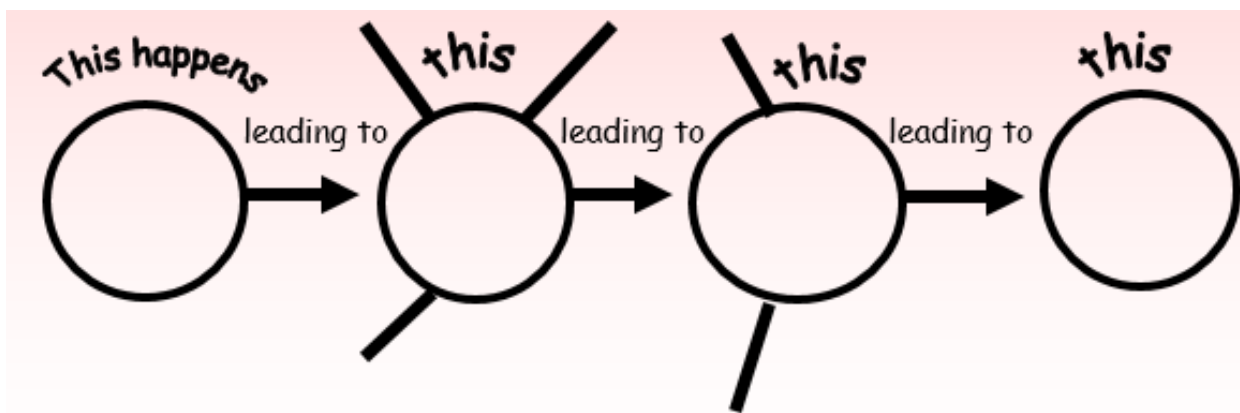

We are going to create an explanation text all about how the Corona virus has spread across the world. This explanation text should help teach and protect the younger children of Rush Green. Today, you will gather information and plan out your explanation text. Tomorrow (Tuesday), we will write out our explanation text and then on Wednesday, we will turn it in to a comic strip on. Today, use the internet to research information on how the Corona Virus started and how it has spread across the world. Gather as many facts and figures as you can. These are great websites to use:

Use the following plan to make notes ready to turn in to an explanation text:

With all the technical vocabulary you have found, you can create a glossary ready for your final piece.

**Pandemic** – a disease which is prevalent over a whole country or the world
