

Using your plans from yesterday, write an explanation text on how your invention works and what it does. I have included a model text for the 'Teacher Pleaser' invention. Try to use a thesaurus to use high-quality technical vocabulary. It might help to imagine you are Wallae at the invention show and you have to explain to your audience what your invention is and what it does.

Success Criteria:

Variation of sentence structure

? – () , : ;

Key vocabulary specific to your subject

Shift in formality

Passive voice

Time Connectives

Present Tense

STRUCTURE OF YOUR EXPLANATION TEXT

TITLES

Which identify the topic of your explanation. You may pose this as a question at the beginning with how? or why?

STRONG OPENING STATEMENT

Identifying the process to be explained. Emphasise the process rather than the particular thing involved in the process.

SEQUENCING

Use sequential paragraphs or statements describing how or why something happens. Show connections such as cause and effect or temporal sequence.

WRAPPING IT UP

A strong concluding paragraph or sentence that draws everything together will add more validity to your explanation.
