

## Instructions for Parents

Maths lessons over the next few weeks will follow the White Rose scheme. These include short instructional videos and worksheets for the children every day. The answer sheets are also included in the folder for parents.

To access the instructional videos, follow the link below:

<https://whiterosemaths.com/homelearning/year-6/>

Click on the relevant week (for example, this week is week 8 w/c 15<sup>th</sup> June).

Play the relevant video for that lesson.

Note that there are only 4 lessons. That is because there is a Maths Challenge every Friday in partnership with BBC Bitesize. All you have to do on a Friday is click on the link and it will take you to the BBC Maths Challenge for that week.

Enjoy 😊
