The grant is used effectively and based on school need. We focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

We will use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) we offer. This means we will use the Primary PE and sport premium to:

Develop or add to the PE activities that we already offer:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

and promote the DfE’s 5 Key Areas:

- The engagement of all pupils in regular physical activity – The Chief Medical Officer guidelines recommend that children aged 5-16 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school (includes playtime and journeys to and from school)
- The profile of PE and sport being raised across the school as a tool for whole school improvement;
- Increased confidence, knowledge and skills of all staff in teaching PE and sport;
- Broader experience of a range of sports and activities offered to all pupils;
- Increased participation in competitive sport.

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	<p>Based on swim data from 22-23 Current year 6</p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	72%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	72%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	51%

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No
<p>To ensure all children can swim, particularly disadvantaged children.</p> <p>Transport for Year 5 children to participate in swimming lessons every week. Track number of pupils able to swim 25 metres.</p> <p>£7350.00 £210.00 per week x 35 coach transport SCHOOL FUNDED</p>
