

Phonics Journal

Rush Green Primary School

Reception – Autumn 1

Name: _____

Rush Green Primary School

Dear Parents/Carers,

Phonics is a way of teaching children to read quickly and fluently. They are taught how to:

- Recognise the sounds that individual letters or groups of letters make
- Identify the sounds that different combinations of letters make such as 'sh' in ship and 'oa' in goat
- Blend these sounds together from left to right to make words.

At Rush Green Primary School we teach Phonics using 'Jolly Phonics'. This journal contains a weekly breakdown of what your child will be learning in their Phonics lessons.

You can use this journal as a tool to support your child's learning at home. There are examples of words which your child can 'segment and blend' using their 'phoneme fingers'. We will check your child's progress weekly on the words within the 'Challenge' section of this journal.

If you have any queries about this journal please speak to your child's class teacher.

Thank you for your continued support.
