

Phonics Journal

Rush Green Primary School

Year 2 – Autumn 1

Phonics Teacher: Miss Danilovic

Child's Name: _____

Dear Parents/Carers,

Phonics is a way of teaching children to read quickly and fluently. The children are taught how to:

- Recognise the sounds that individual letters or groups of letters make
- Identify the sounds that different combinations of letters make such as 'sh' in ship and 'oa' in goat
- Blend these sounds together from left to right to make words.

How do we teach Phonics?

At Rush Green Primary School we teach Phonics using the Jolly Phonics Programme. This journal contains a weekly breakdown of what your child will be learning in their Phonics lessons.

How can you help at home?

Use this journal as a tool to support your child's learning at home. There are examples of words which your child can 'segment and blend' using their 'phoneme fingers'.

How do we use this journal in school?

The children have a spelling challenge every Friday during their phonics lesson. Please practise the weekly spellings in this journal. You can also help your child write sentences containing the weekly challenge words so that they understand their meaning. The journal must be in school every Friday so the children can do their spelling test in it.

If you have any queries about this journal please speak to your child's class teacher.

Thank you for your continued support.
