

Spelling Journal

Rush Green Primary School

Year 2 – Autumn 1

Phonic Teacher Miss Egan

Child's Name: _____

Dear Parents/Carers,

Phonics is a way of teaching children to read quickly and fluently. The children are taught how to:

- Recognise the sounds that individual letters or groups of letters make
- Identify the sounds that different combinations of letters make such as 'sh' in ship and 'oa' in goat
- Blend these sounds together from left to right to make words.

How do we teach Phonics?

At Rush Green Primary School we teach Phonics using the Jolly Phonics Programme. This journal contains a weekly breakdown of what your child will be learning in their Phonics lessons.

How can you help at home?

Use this journal as a tool to support your child's learning at home. There are examples of words which your child can 'segment and blend' using their 'phoneme fingers'.

How do we use this journal in school?

The children have a spelling challenge every Friday during their phonics lesson. Please practise the weekly spellings in this journal. You can also help your child write sentences containing the weekly challenge words so that they understand their meaning. The journal must be in school every Friday so the children can do their spelling test in it.

If you have any queries about this journal please speak to your child's class teacher.

Thank you for your continued support.

Autumn 1

Week beginning	Tricky Words	Grapheme /Spelling rule	words
W/b 07.09.26	any, many	ph – alternative 'f' spelling	phonics, dolphin, alphabet, elephant, phone, phantom

Subject Specific Vocabulary

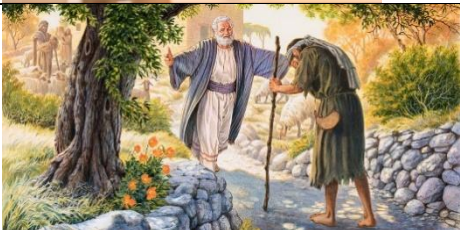

Subject specific Vocabulary for the Autumn Term

Here is a list of all the topic words you will come across in your lessons, along with a pictorial representation and their definition. You will come across these words over the course of the autumn term.

Science – Animals Including Humans		
humans		A human is a member of the species Homo sapiens, which means 'wise man' in Latin.
change		To change something is to make its form, nature, or content different from what it is currently or from what it would be if left alone.
growth		Growth refers to the increase in mass and size of a body or organs.
young		Having lived or existed for only a short time.

adult		A person who is fully grown or developed.
life cycle		A life cycle is a series of stages a living thing goes through during its life. All plants and animals go through life cycles.
exercise		<i>Exercise is a way of keeping the body healthy through being active.</i>

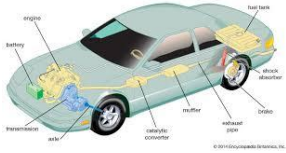

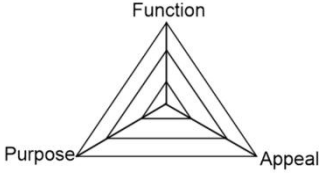

Religious Education – Jesus and Stories		
Bible		The Christian scriptures, consisting of the Old and New Testaments.
Gospel		The teaching or revelation of God found in the New Testament section of the Bible. There are 4 gospels (literally means good news) written by 4 people about Jesus' life on earth.
parable		A simple story used to illustrate a moral or spiritual lesson, as told by Jesus in the Gospels.

sacred		Connected with God or dedicated to a religious purpose.
apostle		An important early Christian teacher or pioneering missionary.
disciples		A personal follower of Christ during his life, especially one of the twelve Apostles.
samaritan		A charitable or helpful person.
prodigal son		Is a person/child who has acted badly but returns to the scene of their wrongdoing.

History – Florence Nightingale		
Crimea		A peninsula and autonomous region in Ukraine between the Black Sea and the Sea of Azov.
Nurse		A person trained to care for the sick or infirm, especially in a hospital.

Civil Rights		The rights of citizens to political and social freedom and equality.
Herbal Medicines		The medicinal use of plants to treat disease and enhance general health and wellbeing.
Lamp		The lamp was used in Scutari during the Crimean War. It is understood to have been carried by Florence on her nightly rounds of the wards.
Significant		A sufficiently great or important to be worthy of attention; noteworthy.

Design Technology – Vehicles

		A thing used for transporting people or goods, especially on land, such as a car, lorry, or cart.
axle		A rod or spindle (either fixed or rotating) passing through the centre of a wheel or group of wheels.
Axle holder		The component through which an axle fits and rotates.
design		To draw or plan something for a certain goal or purpose.
evaluate		To study carefully and judge against design criteria which requires a combination of objective information and subjective opinion.
chassis		The frame or base on which a vehicle is built.
body		The external shell of a vehicle.
mechanism		A system of parts working together in a machine; a piece of machinery

Autumn 1 - PE

dribble		An act of taking the ball forward with repeated slight touches or bounces.
attack		When a team is looking to keep possession of the ball, move the ball forward into an attacking position and create chances to score a goal or points.
defender		A player whose task it is to protect their team by stopping opponents from scoring goals or points.
accurate		Being accurate means that you will deliver your shot flawlessly, and usually with grace or fluidity
possession		The state of having, owning, or controlling something.
team		A group of individuals who play sports (sports player), usually team sports, on the same team.

PSHE – Being Me In My World

worries		Feeling trouble or anxiety about something that might happen.
hopes		A wish for something that one thinks might come true.
fears		Our emotional reaction to something that seems worrying or dangerous.
belonging		Knowing where and who you belong to.
rights		Rights are needs or the things that we should all have.
responsibilities		Things we are expected to do, such as following rules or being kind and helpful to others.
actions		Doing something for a particular purpose.
praise		When you tell someone they're behaving in positive ways or have done something well.
reward		Something that is given in return for good.

consequence		A result of something you do.
positive		Positive means good or the opposite of negative. Positive means.
negative		<i>Not helpful or constructive.</i>
